

April 2015

## We're looking for a summer education intern!

Washington County Historical Society, Inc. is excited to announce a summer museum education internship open to high school seniors, and college freshmen and sophomores.

This internship gives budding museum professionals a taste of giving tours and developing programs, as well as learning how museums work behind the scenes.

Experiences will include:

- interpretation (leading tours and working with visitors)
- developing both a youth and an adult program from start to finish
- working with social media
- setting-up and staffing special events
- and more

This is an excellent opportunity for students considering future employment in a museum, historical society, gallery, historical site, or any location that offers public educational programming.

This intern will receive a stipend from the Kreilkamp Internship Fund.

This 12-week internship begins on May 27, 2015 and ends on August 21, 2015. The dates are somewhat flexible for the right candidate.

**Deadline is 5:00pm Friday, April 10, 2015.**
