# BadgerLunch Webinar Series

## Basic Information

### ***What do I need to participate?***

Generally speaking the requirements include a reliably fast internet connection, a recent version of a web browser, speakers on your computer or headphones to listen to the presenter. A telephone isn't strictly required. Users can type instant messages to ask questions.

### ***Do I need to register in advance?***

No. You do not need to register.

### ***Who will be presenting?***

For most of the series a professional trainer from each of product vendors will host each session.

### ***I am not a librarian or a teacher. Does that matter? May I participate?***

BadgerLink is available to all Wisconsin residents and the BadgerLunch series is also. No prior knowledge of the resource is required. We want all Wisconsin residents to understand and to use these information resources.

### ***I can't make that time. Will the sessions be recorded?***

Yes, we will record these sessions and try to make them available from the BadgerLink homepage. Go to <http://www.badgerlink.net/training.html> for the archived sessions.

### ***Who do I contact with my questions about this series?***

### ***What about school library media specialists, teachers and administrators?***

These folks can use sessions for their PDP's (Professional Development Plans) if it fits with established goals. To prove you attended, you will need to take a short survey, the link to which will be given during the session.
