

WISCONSIN
HUMANITIES

You are invited!

Come learn about Wisconsin Humanities grants for nonprofits!

WH offers grants throughout the year to support locally initiated public humanities programs that promote reflection, dialogue, and civic participation.

Meet Grant Program Director Meghan Dudle. Take this opportunity to learn about application requirements, how to get started, and to brainstorm any project idea you might have! Meet and network with other potential applicants and hear about their projects.

We look forward to meeting you!

Feel free to drop in when you can!

Thursday, June 15th
