

OUR HISTORY IN OBJECTS

WISCONSIN 101

Wisconsin 101 is a statewide, collaborative, public history project that uses objects as the centerpieces of local histories from all around our state.

Explore Object Histories

HOW CAN WISCONSIN 101 HELP YOU?

We want to work with you to bring objects in your collection to life!

- Guest lectures
- Feature your objects on our site and social media
- Help hosting interns
- Collaborate on virtual tours and exhibits
- Resources for educators

3 Ways to Add Objects to WI 101:

1 Contribute a pic and short description to [Your Story in Objects](#).

2 Write a full object history and related stories for our site.

3 Have an object in search of a history? Contact us to add an object to our Call for Writers

Contact us to learn more about working together and the support we can offer
