## **2017/18 Mitchell Gallery Friends Membership Renewal – We Want You!**

Dear «FirstName»,

Please consider renewing your annual membership in the Mitchell Gallery of Flight!

Your membership dues are an important part of keeping the Mitchell Gallery open to the public 24-7-365. Some of the achievements our dedicated volunteers have accomplished in the past year include:

- Awarded seven scholarships to graduating high school students;
- Created and distributed four editions of *Flightlines* newsletter; and
- Expanded sharing of Gallery’s collection of historical photos via our website and Facebook group.

There’s much more planned for next year!

To renew, simply fill out the enclosed renewal application, enclose your payment for the desired membership category and return it in the enclosed stamped self-addressed envelope.

Thank you for your past support. Members like you are critical to helping us preserve and grow the Mitchell Gallery of Flight for the future.

*School groups enjoy our special tours of the airport terminal*

*The Mitchell Gallery of Flight mission: To inspire future generations by preserving and sharing Wisconsin’s aerospace heritage*

Very Sincerely,
